## Career Objective

Seeking an internship position that will allow me to utilize my analytical, programming and numeracy skills to assist in the development of a variety of software systems.

## Education

**Bachelor of Engineering (Honours) and Bachelor of Business with Diploma of Professional Engineering Practise** **March 2020 – Dec 2026 (Expected)**

University of Technology Sydney (UTS)

- GPA of 5.63 and WAM of 76.38
- Majoring in Software and Finance

**NSW High School Certificate**

**February 2012 – November 2019**

Emanuel School, Randwick

- ATAR 86.7
- Academic Scholarship Program

## Technical Skills

### Languages

- Java, Python, HTML, CSS

### Systems

- Windows (XP, Vista, 10), Macintosh

### Software

- MS Office (Word, Excel, PowerPoint), Photoshop, Eclipse IDE, NetBeans IDE

## Casual Employment

**Tele-Fundraiser and Operations Assistant**

**November 2020 – Now**

Givettel, Surry Hills

- Testing and organizing the currently used telephone numbers on an excel spreadsheet ensuring proper documentation and categorization.
- Providing high standards of verbal communication and service to a range of different individuals to ensure their financial support.
- Coordinating shift setup duties in the morning and evening such as refreshing previously called leads and cleaning up data filters.

**Office Assistant**

**November 2017 – December 2017**

Biller Property, Double Bay

- Collecting, collating, and organizing property data on an excel spreadsheet.
- Filing and arranging important paperwork.
- Managing the setup of an open house inspection.

## **Transferable Skills**

### **Team skills**

- This is shown in my final project of Database Fundamentals in my first year where we built a mock database for a large supermarket and received a High Distinction.

### **Organizational Skills**

- As displayed through the opportunities that were given to organize and categorize various databases in previous employment.

### **Numeracy Skills**

- This is exhibited in the Band 6 grade I received in my HSC 2 Unit Advanced Maths and in my distinction grade in Maths Modelling 2.

### **Verbal Communications Skills**

- As illustrated in my experience as a Tele-Fundraiser at Givetel in which I inspired a large amount people to give regular donations to different charitable organizations such as The Black Dog Institute, The Smith Family and Community First Development.
